

WELCOME MESSAGE

Founded in 2009, ARTIFEX GROUP is an international architecture and development company dedicated to *creating spaces that inspire and improve lives.*

We design environments where people *live, work, and learn*, enhancing both functionality and aesthetics while bringing innovation into every project.

For us, architecture is not just about buildings — it's about *creating impact with purpose.*

OUR COMPANY'S HEAD

Khaitmetov Rustam Yunusmatovich

"A creative architect driven by the pursuit of unique and unconventional solutions. My work blends visionary concepts with bold design, always aiming to go beyond the ordinary."

OUR TEAM

Our team is a family of professionals united by a shared vision: to rethink, redesign, and reimagine architecture.

We don't just build for the present; we build for the generations to come

OUR SERVICES

ARCHITECTURE

Concept, design and masterplanning — from a single building to a full district.

DEVELOPMENT

Site analysis, concept, financial modelling and project delivery, start to finish.

INVESTMENT

Structuring projects and working directly with investors and landowners.

REAL ESTATE

Preparing assets for market, commercial strategy and partner relationships.

PROJECT MANAGEMENT

Coordinating consultants, contractors and every party, at every stage.
